Description

The pack of 100 nylon wall plugs without collar 6 x 30 mm is the perfect solution for securing your installations. Its winged design prevents accidental rotation, ensuring a secure fit in materials like concrete, bricks, and drywall.

Recommended for construction and DIY projects, these plugs are easy to install and offer exceptional strength due to their gripping zones. Their reduced length allows for quick installation without the need for deep drilling.

- Dimensions: 6 x 30 mm
- Compatible with solid and hollow materials
- Design prevents protrusion from the wall

Don't compromise on the quality of your fixings, choose our nylon plugs and secure your projects with confidence.
