Description

The pack of 100 flush mount wall plugs with collar 8x120 is the perfect solution for your fastening needs. Designed for quick and efficient installation, these plugs are ideal for securing wooden substructures and connections in drywall.

With a diameter of 8 mm and a length of 120 mm, each plug includes a galvanized nail screw, ensuring simple installation: just hammer the plug into the hole and it's ready to use. Its collar design allows for a clean and professional finish.

- Dimensions: Ø 8 mm, length 120 mm.
- Material: nylon and galvanized steel.
- Recommended use: indoors, wood, and drywall.
- Easy to use, ideal for professionals and DIY enthusiasts.
