Description

The pack of 100 collared hammer anchors 8x80 is the perfect solution for quick and secure wood fixations. Its design allows for simple installation; just hammer the anchor into the hole. This product is ideal for securing wood substructures, connecting walls or drywall profiles, and for cable and pipe staples.

Made from nylon with a galvanized steel nail screw, it ensures durability and strength. Perfect for DIY and professional projects, this anchor is compatible with various indoor applications.
