Description

The modular toolbox with dividers is the perfect solution for those seeking durability and organization in their workspace. Made from high-quality polypropylene, this toolbox supports up to 50 kg, making it ideal for construction professionals and workshops.

With dimensions of 53 x 35.5 x 31 cm and a weight of 3 kg, it is easy to transport and store. Its 2 removable dividers allow you to adapt the interior space according to the needs of each task, facilitating access to tools and accessories.

- Compatible with modular set ref. 09400710.
- ABS closures and metal hinges for increased durability.

Invest in a tool that ensures order and accessibility in your projects.
