Description

The 2-step folding ladder is the perfect solution for reaching high places at home. Its compact and sturdy design, made from reinforced PP, guarantees a maximum load of 150 kg and meets the EN 14183 standard, ensuring reliability.

We recommend using it in kitchens, living rooms, and storage areas. With dimensions of 47 x 43.5 x 63 cm open and 47 x 18 x 63 cm folded, it fits any space. Its maximum height of use is 43 cm, ideal for accessing shelves and cabinets.

- Two steps with a non-slip surface.
- Rubber pads for added stability.
- Easy to transport and store.
- Modern design in black and red.

Don't miss out on this essential tool for your home.
