Description

The Pack of 5 Torx T-15 angle wrenches is the ideal solution for professionals requiring high-quality and precise tools. Made from CRV steel, they ensure exceptional durability and optimal torque.

Recommended for work in tight spaces, their angled design allows easy access to hard-to-reach screws. With the ability to flex up to 25°, they are perfect for various applications in mechanics and maintenance.

Compatible with Torx screws of different sizes, this pack is a smart investment for any workshop or toolbox. Take the opportunity to enhance your work equipment!
