Description

The Pack of 5 Torx T-27 offset wrenches is the ideal tool for professionals and DIY enthusiasts. Its robust design in CRV steel ensures optimal torque, allowing for prolonged and efficient use.

These wrenches are perfect for working in hard-to-reach areas, thanks to their ball heads that allow access to fasteners at angles of up to 25°. They meet DIN specifications, ensuring durability and strength.

Recommended for mechanics, electronics, and general maintenance. Don't miss out on having them in your toolbox.

Specifications
