Description

The round planter 50 x 1280 mm is the perfect tool for gardeners and farmers seeking efficiency and durability. Its robust design allows for tasks ranging from bulb planting to transplanting small plants and crops.

Made of hardened steel and thermally treated, this planter offers superior resistance and a long lifespan. Its special coating prevents oxidation, keeping the tool in optimal condition over time.

With a 128 cm metal handle, it provides exceptional control and comfort during use. Ideal for those looking for quality and performance in their gardening tools.
