Description

The Pack of 5 PZ-3 Screwdriver Bits, 50mm provides an effective solution for precise screwing. These bits are made from alloy steel and induction hardened, ensuring high hardness and wear resistance.

Recommended for use on wood and metal, they are compatible with 1/4' screwdrivers. Their titanium coating offers increased durability, and the non-slip design ensures a firm grip with every use.

Don't compromise on quality for your projects; choose our Pozidrive bits for superior performance.
