Description

The Pack of 5 Titanium Tip 1/4 50mm PH-1 is the perfect solution for professionals seeking durability and precision. These tips are made from alloy steel and coated with titanium, providing a hardness of HRC 58-62, ensuring a long lifespan.

Recommended for screwing in various applications, they are compatible with 1/4' screwdrivers. Their non-slip design ensures a firm grip, making it easier to work in demanding environments.

Optimize your toolbox with this pack and experience quality in every project.
