Description

Discover the pack of 10 titanium tips of 25 mm, designed to deliver exceptional performance in screwing. These Phillips tips, with markings from PH-1 to PH-3, are perfect for various materials.

Made from alloy steel and treated with induction hardening, they have a hardness of HRC 58-62, ensuring durability and wear resistance. Their non-slip design provides a secure grip, allowing for efficient and precise use.

Recommended for professionals and DIY enthusiasts, these tips are compatible with 1/4" screwdrivers. Enhance your toolbox with this essential pack.
