Description

The Pack of 5 Titanium Tip 1/4 50mm PH-3 is the perfect solution for professionals seeking quality and durability in their screwing tools. These tips are made from alloy steel and feature a titanium coating that provides a hardness of HRC58-62, making them highly resistant to wear.

Recommended for use in construction and repair work, these tips are compatible with 1/4' screwdrivers. Their non-slip design ensures a firm grip, facilitating work in various applications.

Optimize your performance with this pack and experience the difference in every screw.
