Description

The Pack of 5 PH-2 Screwdriver Bits, 50mm, is the perfect solution for those seeking quality and performance in their tools. These bits are made from alloy steel and induction hardened, providing great hardness and wear resistance.

Recommended for screwing tasks in various applications, these bits are compatible with 1/4' screwdrivers. Their titanium coating not only enhances durability but also provides a non-slip grip, making them easy to use in both professional and home environments.

Take the opportunity to upgrade your toolbox with this high-quality bit pack!
