Description

The pack of 5 Titanium Tip 1/4 25mm T-15 is the perfect solution for your screwing needs. These tips are made from chrome vanadium steel, ensuring exceptional strength and a long lifespan. The titanium coating provides increased durability and reduces wear.

Recommended for use with electric and manual tools, they are ideal for both professionals and DIY enthusiasts. With a total length of 25 mm and a 1/4 hexagonal shaft model, these tips are compatible with a wide range of screwdrivers.

- Height: 5 cm
- Width: 2 cm
- Depth: 9 cm

Don't miss the chance to enhance your tool kit with this high-quality tip pack.
