Description

The 50mm standard hexagonal bits are the perfect solution for your screwing needs. Made from high-quality steel, they ensure durability and strength with every use. This pack includes 5 units, ideal for both professional and DIY tasks.

We recommend using them with electric and manual tools, thanks to their 1/4 hexagonal shank design with Allen-type imprint. With imprint sizes ranging from H-2 to H-10, these bits are versatile and adapt to various applications.

Don't miss out, enhance your toolbox today!
