Description

The Pack of 10 T. Wing Extra 1/4 Bits No. 3 is the ideal solution for professionals seeking durability and performance. These bits are designed for intensive use, offering a hardness of 60-62 HRC due to their steel composition with Molybdenum and Vanadium.

Recommended for TRI WING screws, they are perfect for working with soft and hard materials, as well as wood. Their high wear resistance ensures a long lifespan, translating into a more cost-effective investment.

Optimize your work with quality tools. Order your pack today!
