Description

The Pack of 10 T. Extra Bit Set 1/4, No. 2 is designed for professionals seeking high-performance tools. These bits, made from steel with molybdenum and vanadium components, offer a hardness of 60-62 HRC, ensuring exceptional durability.

Recommended for TRI WING screws, they are perfect for working with soft materials, wood, and hard materials. Their robust design ensures intensive use, increasing productivity and reducing long-term costs.

Optimize your work with our extra hard bits and experience the difference!
