Description

The Pack of 10 TRI WING Extra Hard Bits Set 1/4, No. 8, is designed to provide superior performance in professional environments. These bits are made from steel with molybdenum and vanadium components, ensuring a hardness of 60-62 HRC.

Recommended for soft and hard materials, they are perfect for woodworking and other applications. Their high wear resistance not only boosts productivity but also reduces long-term costs.

- Compatibility: Ideal for TRI WING screws
- Dimensions: 25mm

Invest in quality and enhance your efficiency with this set of bits.
