Description

The 225 mm sanding discs are ideal for efficient and clean sanding on walls and ceilings. Made from aluminum oxide, they offer high durability and resistance, perfect for intensive work. Their velcro fastening system allows for quick and secure changes, preventing slipping during use.

Recommended for removing paint, putty, or plaster, these discs are compatible with all sanders with a base of Ø225 mm. Available in grits that cover all sanding phases, from aggressive grinding to fine finishes.

- Grit 60: aggressive grinding.
- Grit 80-120: intermediate sanding.
- Grit 150-240: fine finishes.

Get your pack of 5 units and enhance your sanding performance.
