[View product online](#)**Description**

The 100 x 140 mm sanding sheets are perfect for achieving professional finishes on various surfaces. Made of aluminum oxide, they ensure durability and efficiency in abrasion. Compatible with any detail sander, the velcro system allows for quick and secure changes.

Recommended for roughing and fine finishing work, they are available in grits 80, 120, and 180. The design with 7 holes allows for optimal dust extraction, keeping the workspace clean and prolonging the lifespan of the sheets.

Purchase this pack of 5 units and enhance the quality of your sanding projects.
