Description

The Pack of 5 HSS Drill Bits, 12.0 mm, is the perfect solution for professionals and hobbyists seeking quality and durability in their drilling tools. These bits are made from high-speed steel, ensuring superior performance when working with steel and iron.

Recommended for use in construction and repair projects, these bits comply with DIN 338N and feature a 118° angle for efficient drilling. Their precision-ground design ensures greater accuracy and a clean finish.

Compatible with most drills, this pack is ideal for those looking for a reliable and high-performance tool. Don't miss the chance to enhance your toolkit!
