Description

The pack of 5 HSS drill bits, 13.0 mm, is the perfect solution for professionals and enthusiasts seeking quality and performance in their drilling tasks. These drill bits are made from high-speed steel, ensuring a long lifespan and superior performance in materials like steel and iron.

Recommended for use in workshops, construction, and DIY projects, these drill bits meet the DIN 338N standard and feature a 118° angle for efficient cutting. Their black finish not only enhances visibility but also reduces friction during use.

Compatible with most drills, this pack is a smart investment for those who value quality in their tools. Don't miss out!
