Description

The Pack of 4 HSS Drill Bits 14.5 mm is the perfect solution for professionals and DIY enthusiasts looking for quality and performance in their work. These drill bits are made from precision-ground high-speed steel, meeting DIN 338N standards and featuring a 118° angle, making them ideal for drilling steel and iron with ease.

Recommended for use in workshops, construction, and maintenance projects, these drill bits offer exceptional durability and precise cutting. They are compatible with most standard drills on the market.

Don't compromise on the quality of your tools. Get this pack and experience the difference in your drilling tasks.
