Description

The Pack of 10 Cobalt Drill Bits 1.0 mm is ideal for professionals needing high-precision and durable tools. These drill bits are designed to drill steel and iron with ease, thanks to their cobalt construction and HSS CO DIN 338N rectified design.

We recommend their use in industrial and DIY applications where a clean and efficient finish is required. With a 118° angle, these drill bits ensure precise and quick cuts.

- Dimensions: 1.80 cm height, 1.80 cm width, 6.40 cm depth.
- Compatible with standard drills.

Don't miss out on these essential tools for your projects. Order your pack today!
