Description

The Pack of 10 cobalt drill bits 4.25 mm is the perfect solution for professionals needing high-quality tools for drilling steel and iron. These drill bits are made from high-performance cobalt, ensuring a long lifespan and wear resistance.

Recommended for use in workshops and DIY projects, these bits are compatible with most electric drills. Their rectified HSS CO DIN 338N design and 118° angle allow for precise and efficient drilling.

Don't compromise on tool quality. Get this pack and enhance your productivity.
