Description

The Pack of 10 Cobalt Drill Bits 5.75 mm is the perfect solution for professionals seeking precision and durability in their work. These drill bits are designed to easily penetrate steel and iron, thanks to their high resistance and precision-ground design.

Recommended for use in machine shops and DIY projects, these drill bits offer exceptional performance. Their bright ochre color is not only attractive but also makes them easy to identify in the workshop.

- Specifications: HSS CO DIN 338N, 118°
- Compatibility: Ideal for electric and manual drills

Don't compromise on quality; choose our cobalt drill bits and experience the difference.
