Description

The Pack of 10 cobalt drill bits 6.25mm is the perfect solution for professionals seeking quality and efficiency in their drilling tasks. These drill bits are designed to deliver high performance on materials such as steel and iron, ensuring optimal results with every use.

Recommended for industrial and DIY applications, these drill bits feature a rectified HSS CO DIN 338N design and a 118° angle that facilitates penetration and reduces wear. Their bright ochre color is not only aesthetic but also allows for easy identification in the workshop.

Compatible with standard drills, this pack is a smart investment for any industry professional. Take advantage of this opportunity and enhance your toolbox today!
