Description

The Pack of 5 Cobalt Drills 12.0 mm is perfect for professionals seeking high-quality tools for drilling steel and iron. Its HSS CO DIN 338N precision ground design ensures superior performance and long life.

These drills are ideal for industrial and DIY projects, providing accurate cuts thanks to their 118° angle. They are compatible with most electric and manual drills.

Don't compromise on the quality of your projects. Get this pack and experience the difference in your drilling.
