Description

The Pack of 10 HSS-CO drill bits, 5 mm, is the perfect solution for drilling stainless steel efficiently. These drill bits are designed with 5% cobalt, ensuring superior performance and a long lifespan.

Recommended for use in workshops and DIY projects, these bits are compatible with most standard drills. Their precision-ground design and 135° angle ensure accurate and fast drilling.

Don't compromise on quality; choose our HSS-CO drill bits and experience the difference.
