Description

The Pack of 25 high-quality micro-perforated sanding discs with velcro measuring 225 mm is the perfect solution for professionals seeking efficiency and durability. Thanks to their micro-perforated design, these discs allow for effective and dust-free sanding, enhancing the quality of the finish.

Recommended for use on wood, metal, and plastics, these discs are compatible with most velcro sanders on the market. Their high-quality abrasive ensures low clogging, extending the life of the disc and optimizing performance.

Don't compromise on the quality of your work, choose our sanding discs and experience the difference.
