Description

This pack of 100 abrasive sanding sleeves 30x30 G-40 is designed to deliver exceptional performance in steel work. Its corundum-aluminum oxide composition ensures a long lifespan and efficient cutting.

We recommend its use for grinding and finishing applications, being compatible with a wide range of power tools. Its 30x30 cm format allows for easy handling and adaptation to different surfaces.

Optimize your work processes with these abrasive sleeves and experience professional results in every project.

Specifications

EAN	8445187330953
