Description

Filling chips are the perfect solution for protecting your shipments and packaging. Their lightweight and dust-free design ensures that your products arrive in perfect condition. These chips are ideal for stabilizing items in boxes, preventing unwanted movement during transport.

We recommend using them for any type of shipment, whether in a professional or home setting. With dimensions of 9 cm in height, 30 cm in width, and 35 cm in depth, they are easy to store and handle.

- Value proposition: Effective protection for your products.
- Recommended uses: Shipments, storage, and packaging.
- Compatibility: Ideal for all types of boxes and containers.

Don't let your products suffer damage, choose our filling chips and ensure their safety.
