Description

The blue nitrile gloves UNE-EN 20388 are the perfect solution for those seeking protection and comfort at work. Their non-absorbent and cut-resistant coating ensures high resistance, making them ideal for various applications such as construction, agriculture, and cleaning.

With a lightweight and breathable design, these gloves are easy to put on and take off, ensuring a perfect fit on the hand and arm. Their long-lasting nature makes them a reliable choice for both domestic and professional tasks.

- Specifications: Size T-8, 12 units per pack.
- Compatibility: Ideal for tasks requiring hand protection.

Don't compromise your safety, choose our blue nitrile gloves.
