Description

Discover our pack of 12 gloves made from 100% nylon with a polyurethane coating, ideal for various industrial and construction applications. Their seamless design ensures optimal protection and exceptional comfort. The gloves feature an elastic cuff that provides a perfect fit, preventing slips during use.

Recommended for tasks requiring a firm grip, their non-slip palm ensures secure handling. With joint robustness and high durability, these gloves are perfect for professionals seeking quality and safety in their work equipment.

- Height: 11 cm
- Width: 12 cm
- Depth: 27 cm

Don't compromise your safety, choose our high-quality gloves.
