Description

The 100% nylon coated gloves are ideal for various industrial and construction applications. Their polyurethane coating on the palm and fingers provides extra protection without sacrificing comfort. These gloves meet the UNE-EN 20388 standard, ensuring quality and safety.

Recommended for tasks requiring a firm grip and hand protection, they are perfect for handling tools and materials. Their seamless design and elastic cuff ensure a comfortable and secure fit.

- Dimensions: 10 cm height, 14 cm width, 27 cm depth.
- Compatible with various industrial tasks.

Get this pack of 12 units and ensure your hand protection in every task.
