Description

The 400ml compressed air spray is the perfect solution for cleaning and cooling mechanical and electronic components. Its high pressure allows for dirt removal in hard-to-reach areas, ensuring optimal results.

Recommended for cleaning keyboards, cameras, watches, and other delicate objects. Additionally, its cooling capability makes it ideal for overheated mechanical parts.

Compatible with a variety of surfaces, this aerosol is safe and environmentally friendly, complying with EU regulations. Don't miss it in your toolkit.
