Description

The parking lock is the perfect solution to protect your parking space. Made of galvanized steel, this device is durable and long-lasting. Its design features reflective red bands that ensure optimal visibility, even in low light conditions.

Recommended for use in residential areas, offices, and commercial spaces, this lock is easy to install and operate. Its compact dimensions (7 cm height, 46 cm width, and 78 cm depth) make it ideal for any space.

- Compatible with most vehicles.
- Provides security and peace of mind.

Don't let others take your spot. Purchase the parking lock and secure your space today.
