Description

The Li-ion 20 V cordless jigsaw combines power and precision, ideal for making straight, curved, and bevel cuts. Its brushless motor ensures superior performance and a longer lifespan. With a variable speed of 0-3000 RPM and a stroke length of 25 mm, it is perfect for working with wood and metal.

Recommended for woodworking and metalworking projects, this tool is compatible with the 1 for All system from Cofan and includes a blade for metal and another for wood. Its compact and lightweight design (1.85 kg) allows for fatigue-free operation.

Get the jigsaw and enhance your work efficiency!

Specifications

EAN	8445187427646
Manufacturer	COFAN
Nominal voltage (V)	20V
