Description

The 20 V Li-ion cordless jigsaw is the ideal tool for professionals seeking power and precision in their cuts. Its brushless motor ensures superior performance and a longer lifespan. Perfect for working with wood and metal, its variable speed of 0-3000 RPM and 25 mm stroke length allow for adaptation to various applications.

Compatible with the 1 for All system from Cofan, this jigsaw features a soft start and speed selector, ensuring total control with every cut. Additionally, its compact and lightweight design (1.85 kg) allows for prolonged use without fatigue.

- Specifications: 0-3000 RPM, $\pm 45^\circ$ bevel.
- Includes blades for metal and wood.
