### Description

The Li-ion 20 V cordless reciprocating saw is the ideal tool for professionals and DIY enthusiasts. With a brushless motor, it offers superior performance and a long lifespan. Its speed of up to 3000 rpm and a stroke length of 28 mm allow for precise cuts in wood and metal.

Recommended for construction and renovation projects, this tool is compatible with the 1 for All system from Cofan, making it versatile and easy to handle. Its ergonomic and lightweight design facilitates work on demanding cuts.

- Cutting depth: 200 mm in wood, 50 mm in metal.
- 2-level pendulum action to adapt to each application.

Enhance your productivity with this high-performance tool.
