Description

The pack of 50 M-22-25 multi-purpose cable clips is the perfect solution for securing lightweight pipes in electrical installations. Its white design and polypropylene material ensure durability and resistance in various conditions.

These clips are ideal for use in both B2C and B2B projects, offering a secure pressure fitting that ensures proper placement. They withstand working temperatures from -10 °C to 80 °C, making them versatile for different environments.

- Value proposition: high quality and safety.
- Recommended uses: electrical installations, plumbing, and more.
- Compatibility: steel, copper, and plastic pipes.

Don't miss the chance to enhance your installations with this essential product.
