Description

The Pack of 20 universal flush mount mechanism boxes is the perfect solution for your electrical installations. With dimensions of 67x77x42 mm, these boxes are ideal for domestic and tertiary environments, such as homes, offices, and shops.

Thanks to its universal design, they are suitable for 1, 2, and 3 elements, allowing for quick and efficient installation. Additionally, its AENOR certification ensures product quality and safety.

Relevant specifications include multiple entries for Ø 25 mm tubes, facilitating electrical connection and distribution. These boxes are particularly recommended for hollow walls or drywall.

Don't wait any longer, optimize your electrical installations with this pack of flush mount boxes.
