Description

The pack of 20 units flush mount mechanism boxes ø68x46 is the perfect solution for your electrical installations. Designed for use in domestic and tertiary environments, these boxes are universal and allow for the installation of 1, 2, or 3 elements. Their linkable design and AENOR certification ensure safe and efficient use.

With multiple entries for Ø 25 mm tube, they are ideal for hollow walls or drywall. Their black color fits any decor. Ensure you have the best quality for your electrical projects.
