Description

The white ribbed brackets from Cofan are the perfect solution for reinforcing shelves and wall structures. Made from high-quality painted steel, they offer exceptional strength thanks to their central ribbed design. They can support up to 25 kg, making them ideal for DIY projects and home use.

Recommended uses include installing shelves in living rooms, kitchens, and offices. Their design allows for secure attachment to the wall and the board, ensuring stability. Supplied in packs of 20 units, they adapt to various installation needs.

- Material: Painted steel
- Dimensions: 250x200mm
- Load capacity: 25 kg
- Mounting holes included

Choose our brackets for an economical and aesthetic solution for your projects.
