Description

The ABS white ventilation grille with adjustable blades is the perfect solution for ensuring proper air extraction in any room. Its innovative design allows the blades to open and close automatically, ensuring that air flows only when the fan is operating.

We recommend its use in both indoor and outdoor spaces, as it is compatible with pipes of various diameters. With easy installation, this grille is ideal for those seeking efficiency and functionality.

- Material: White ABS
- Dimensions: 14 cm height, 17 cm width, 18.5 cm depth
- Availability: pack of 5 units

Optimize the ventilation in your spaces with this quality product.
