Description

The Pack of 5 DIN 7991 C-10.9 M-20 X 100 Z screws is the perfect solution for your fastening needs in industrial environments. With a countersunk and flat head, these screws provide a secure and aesthetic fit.

Recommended for machinery, metal structures, and DIY projects, their strength class of 10.9 ensures exceptional performance. The zinc finish provides corrosion protection, ensuring a long lifespan.

Compatible with hex tools, they are easy to install and remove. Don't be without them in your workshop or warehouse.
