Description

The long reach pruner is the perfect tool for those needing to access branches in tricky spots. Its SK-5 carbon steel blade ensures precise and lasting cuts, while its high-strength aluminum design guarantees a long lifespan.

Recommended for pruning high or hard-to-reach branches, its long adjustable handle allows for comfortable and efficient handling. Additionally, the soft foam handle provides a pleasant grip, and its special device cuts and grips, making branch collection easier.

- Height: 4 cm
- Width: 12 cm
- Depth: 212 cm

Don't miss the chance to enhance your garden with this essential tool.
