### Description

The certified gray hydro pipe roll Ø32 mm is the perfect solution for water supply and distribution in pools and jacuzzis. Made from rigid PVC with a plasticized coating, it offers exceptional resistance and great compatibility with PVC piping systems.

Recommended uses include repairing PVC-U drainage networks, complying with EN 1329 standards. Its 25-meter length allows for adaptation to various configurations and needs.

- Diameter: Ø32 mm
- Material: Rigid PVC
- Certification: Meets quality standards

Don't miss the opportunity to enhance your piping system with this high-quality product.
