[View product online](#)**Description**

The certified gray hydro pipe roll Ø40mm is the perfect solution for water supply and distribution in pools and jacuzzis. Made from rigid PVC with a high-quality plasticized coating, it offers excellent compression resistance and great compatibility with PVC piping systems.

We recommend its use for repairing PVC-U drainage networks of type B series, according to EN 1329 standards. With a length of 25 meters, this pipe is ideal for both residential and commercial projects.

- Diameter: Ø40mm
- Material: Rigid PVC
- Certification: Complies with EN 1329 standards
- Usage: Water supply and drainage
