Description

The certified gray hydro pipe roll Ø50mm 25m is the perfect solution for the supply and distribution of water in pools and spas. Its rigid PVC design ensures excellent compression resistance, making it a reliable choice for various applications.

We recommend its use for repairing PVC-U drainage networks of type B series according to EN 1329 standards. This product is compatible with different PVC pipe systems, making installation and use easy.

- Dimensions: 25m length.
- Diameter: Ø50mm.
- Material: Rigid PVC with plasticized coating.
- Quality certification guaranteed.

Don't miss the chance to enhance your installations with this high-quality pipe.
